! For plaintiffs marked with an “!”, the plaintiff previously obtained a judgment against the Islamic Republic of Iran based on a determination that the plaintiff is functionally equivalent to an immediate family member. The ECF No. of the Order granting a judgment contains the determination that the person was functionally equivalent to an immediate family member.

* For plaintiffs marked with an “*”, the estate previously obtained a judgment against the Islamic Republic of Iran and since that time, the personal representative of the estate has passed away. We are working with next of kin to have a successor personal representative appointed, and/or are awaiting appropriate paperwork to confirm that a petition has been filed or letters have been issued by a court of competent jurisdiction.
